

11th European Stroke Organisation Conference

21–23 May 2025
Helsinki, Finland

WELCOME
TO HELSINKI

Dear ESO Community,

We are delighted to extend this invitation to you for the upcoming European Stroke Organisation Conference (ESOC) 2025, set to take place in Helsinki, Finland. This event presents a prime occasion to convene, exchange insights, and delve into groundbreaking research in stroke prevention, treatment, diagnosis and rehabilitation.

Finland has significantly contributed to stroke research, particularly through its focus on population studies and medical innovations. Helsinki, a vibrant coastal gem, melds the serenity of nature with a bustling urban culture. In May 2025, we look forward to offering a programme that highlights the latest advancements in stroke research. Your participation is crucial, as it enriches our discussions and helps disseminate pioneering findings across the globe.

Join us at ESOC 2025 for an invaluable conference experience, promising collaboration, community building, and joint actions to advance stroke research and care.

Simona Sacco

President European
Stroke Organisation

Mira Katan

Chair of the Conference
Planning Group

Daniel Strbian

Chair of the Local
Committee
