

Proposals for new ESO guideline/white paper topics

Proposal details	Name of ESO member making the proposal: Affiliation: Email:			
Suggested Topic				
I am interested in being considered as a Module Working Group member for this <i>Guideline/White Paper</i> #	Yes		No	
Is this topic suitable for a <i>Guideline</i> ? *	Yes		No	
If yes, is it an <i>update</i> to a previous <i>Guideline</i> ? *	Yes		No	
Is this topic suitable for a <i>White Paper</i> ? *	Yes		No	
If yes, is it an <i>update</i> to a previous <i>White Paper</i> ? *	Yes		No	
Please provide a rationalization for this proposal (2-3 bullet points stating e.g. why would this topic benefit from a guideline, if there are any significant advances/publications since the last guidelines, why is this topic significant for the stroke community, if there are any similar guidelines by other scientific societies).
